

# 71 Lebeaux Drive Shrewsbury, MA

This Stunning Home has EVERYTHING you are looking for!! Young complex has one of the best floor plans I have ever seen. This beautiful, updated, home features gleaming hardwood floors, large eat-in kitchen, dining room with tray ceiling and bank of windows, fireplaced living room with cathedral ceilings and access to your own private deck. First floor laundry has a half bath. One car garage. Second story features a large loft area to use for an office or study or den, large cathedral ceiling bedroom, and a full bath. This floor also features a huge master bedroom featuring an office or dressing area, full bath with double sinks, and double closets! Need more space? How about another 900 sq feet in the finished basement with beautiful finishes including bamboo flooring, wainscoting plus another full bath! Plenty of storage space here as well as economical gas heat and central air. This home is perfect for commuters!
