

19 Old Sudbury Road Wayland, MA

Don't miss this beautifully inviting, move-in ready home in the ideal Wayland center location! Walk to great restaurants, shops, the library and miles of conservation trails. Or laze on the farmer's porch and watch the world go by. High ceilings, hardwoods, dentil moldings and wainscoting add elegance to this bright, airy family home. The cherry/granite kitchen has a large eating area that opens to the fireplaced family room, which has a cathedral ceiling and deck access. The formal living and dining rooms have great flow, and the two-story foyer and private study round out the first floor. Upstairs, the three-room master suite features an expansive bathroom, multiple closets and a bonus room perfect for a second office, gym or nursery. Bedroom two has its own ensuite bath and walk-in closet. Two more spacious bedrooms and a family bath with double vanity complete the floor plan. Huge, flat back yard and plenty of privacy. A very special offering!
