

20 Cook Street Douglas, MA

Welcome to 20 Cook St! This charming turn of the century home has been completely remodeled. Stunning white kitchen with stainless appliances, a granite breakfast bar & meal prep area, and solid walnut counters that add such warmth to the area. Durable laminate flooring that blends seamlessly with the gorgeous refinished hardwoods. Washer dryer hook-ups tucked away off the den on the main level along with a half bath. Upstairs we have 3 generous bedrooms, all with original and beautifully refinished wide pine flooring. Bedroom 2 has a built in desk area with overhead lighting. Master bedroom with en suite full bath which is also accessible from the hall way for the other bedrooms. Double vanity, ceramic tile, and large linen closet. Updates include: electric, boiler, insulated tilt in windows, vinyl siding, new garage door... the list goes on. All you need to do is unpack!
