

111 Wharton Road Groton, MA

ABSOLUTELY STUNNING colonial on a large, professionally landscaped corner lot. This 5 bedroom home has it all. Enter through an oversized foyer with ornate chandelier and winding staircase. Continue on into the large family room with gas stone fireplace and hardwood floors overlooking the large deck, patio and in-ground swimming pool. Meander through the dining room, study with built-in shelves or living room with gas fireplace and access to a side patio. View the stunning eat-in kitchen with 5 burner gas stove and sub zero refrigerator, overlooking the beautifully landscaped backyard and in-ground pool. The upstairs boasts 5 bedrooms, including large master suite with fireplace, 3 large bedrooms, jack and jill bathroom, and in-law suite with access to a deck. Don't forget the oversized walk-up attic for additional space. All of this, located on over 2 acres of beautiful grounds, has been lovingly and meticulously maintained by the original owners. A beautiful home indeed!
