

93 White Street Lunenburg, MA 01462

Quintessential New England Cape sited on .94 acres. Spacious living room host to a wood burning fireplace with brick hearth and surround, crown molding and hardwoods flowing seamlessly into the remodeled gourmet kitchen. White hickory cabinetry, pantry cabinet, appliance garage, 3 solid shelf corner cabinets, slotted plate holders and recessed lighting making this a delight for friends, family and holiday entertaining. Large dining area and family room. This versatile floor plan has a first floor bedroom which could also serve as an office. Second floor features large master bedroom and a third and fourth bedroom. Step outside the slider to a grand patio with built in pool. Some TLC and new septic will make for a very nice home.
