

552 Shrewsbury St Holden MA

Beautiful Village Colonial in Holden! Low energy and low maintenance living with this fully renovated 4 bedroom, 2 bath Colonial near the town center but with an easy commute to the highway. Beautiful hardwood floors throughout with many delightful features including built-ins and cedar breezeway. The charm carries through this lovely home with french doors to the four season porch. Nothing is missed with the Low-E window upgrades, newer roof, full insulation and Hardie Plank cement board exterior siding. LED recessed lighting throughout! Flexibility with a first floor master bedroom that can also be a family room to enhance the open floor plan. Large level lot is perfect summer evenings with patio and pergola. This home has it all with nothing to do but move in!
