Looking for the perfect balance between tranquility & privacy yet prefer a neighborhood? This show stopper Colonial on a sought after cul-de-sac is the answer! Its delightful open concept design features a stunning white cabinet eat-in kitchen with NEW stainless steel appliances, granite counters & center island with breakfast bar. Imagine yourself relaxing by a roaring family room fire, entertaining guests in the formal dining room or heading outdoors for raised bed gardening or to kick back on the large deck overlooking a sprawling lawn & abutting woodlands. The 1st floor office/library/music room creates versatility you seek. The master bedroom suite offers a generous walk-in closet & full bath you were hoping to find. Create your ideal media room, playroom or hobby area in the unfinished lower level. This richly trimmed home appointed with handsome hardwood floors throughout (exc. baths), crown molding, wainscoting, beadboard, central AC & more is the one you've waited for!
