Located at the Legends at Andover Country Club, this pristine condominium built by Yvon Cormier is truly an incredible find! With a fence lined yard shielded by a gorgeous backdrop of trees, as well as a beautiful view of the second fairway, this home provides excellent privacy while providing that desirable Country Club atmosphere. The open layout, first level floor plan guides you from the gorgeous oversized kitchen with white glazed cabinets and leathered granite counter-tops to a cozy living room with views of the peaceful backyard. A first floor master suite with walk-in-closet and master bath highlight the luxurious main floor. A mid-level family room with fireplace and vaulted ceiling flows up into the second floor featuring a second master suite as well as third guest bedroom, each with private bath. This home includes a finished lower level with a walk-out to the backyard and access to the spacious 2-car garage. This home is also available for lease at \$7,500/mnth.
