Upgraded beyond dreams, this sprawling contemporary 3 bedroom ranch with open floor plan and cathedral ceilings is hidden away on a quiet street in Leominster with amazing views. From the moment you pull onto the driveway made of custom pavers and pass through the 14ft stately stone entryway you know this is a magnificent home. A spectacular kitchen with massive Viking appliances including 2 wine coolers has a custom mosaic tile floor. All high-end Anderson windows and doors throughout. This house is freshly upgraded from top to bottom. The gas fireplace, 10-ft rainfall shower, jetted tub and custom built-ins cabinetry of the huge walk-in closet combine to make a top-end 1st floor master suite retreat. The finished walkout basement has plenty of room for the 9-ft billiards table, mahogany bar, and separate workout room. Amazing masonry stone work and mature professional landscaping wrap around this one-of-a kind home.
