This adorable cape in Walpole has been very well maintained and updated which makes it a GREAT house to call home! Flexible layout with 2 full bedrooms upstairs and 2 full bedrooms on the main level you can enjoy the extra space with a first floor Master or home office. The sun room addition creates an open floor plan with the kitchen and living room and is the perfect room to relax in. Step right out to the new deck and pool in the private fenced in yard. Front yard professionally landscaped for beautiful curb appeal! Excellent commuter location with quick access to commuter rail and 1A. Walking distance to downtown area. Passing Title V and MANY updates and upgrades!
