142 ASH STREET | SPENCER, MA

First time on the market! This well cared for, one owner home has the hobby space you've been dreaming about with GARAGES for FOUR CARS! Plenty of workshop room too! Great space on the inside of this Split Entry with two finished levels to enjoy! Rooms are all generous sized too! Hardwood flooring, covered deck plus a covered patio with a beautiful level lot for entertaining. An expansive front to back 3 season room with sliders and tile could also be a great office or mud room with a strip of electric baseboard installed. The lower level has a summer kitchen (perfect for craft room too), bedroom & family room that works well for extended family, teen suite or entertaining space! Fantastic game room with a kitchen, bath & electric heat has 500 additional square feet of livingspace over the detached garage! Many possibilities with this area! Situated in a nice neighborhood of well kept homes on Ash Street. A rare opportunity at a great price! You can have it all here!
