41 HARVARD DRIVE | SUDBURY, MA

Photos and Flyer provided by Best View Imaging

This inviting classic Colonial, sited on a stunning corner lot on one of The Bowker's most beautiful streets, is a rare find. Meticulously maintained, updated and loved, it's ready for your family to make their own for holiday gatherings, game nights in the finished basement, and soccer and touch football in the oversized yard. Spacious, sun-drenched rooms, a beautiful fieldstone fireplace, morning coffee in the sunroom, cozy spaces like the study loft, or a quick bike ride to Greenwood Swim and Tennis Club, these are the things that make a place home. Outside, custom stone walls, lushly-landscaped islands and flower beds create megawatt curb appeal, and the southern exposure is optimal for solar panels. Great location close to 117 and only minutes to Lincoln and W. Concord MBTA stations. NEWER ROOF and WINDOWS, NEW HEATING SYSTEM, DRIVEWAY, DOORS, GARAGE DOORS and FRESH EXTERIOR PAINT mean the hard work's been done, and the fun of making this home "the one" is all yours.
