## 46 Bear Hill Road North Andover, MA 01845

---

This luxurious home is perched on a corner lot in the beautiful Bear Hill North Andover neighborhood! This spacious estate like home has an open floor plan and features 16 rooms with 7 bathrooms! The over-sized eat-in kitchen is wonderfully equipped with a double wall oven, center in-ground island, and granite counter tops perfect to the inner chef in everyone. It expands to the family room which also connects to the over-sized Cathedral Ceiling Great Room with a double sided fireplace. The home also boasts both first floor and second floor ensuite master bedrooms! This home comes fully equipped with an irrigation system and back up generator to keep you warm and protected in the rare event that the power were to go out. The only thing this home is missing is you! Schedule a showing to see this all with your own eyes!
