Grand Gambrel sited on 1.17 flat acres with magnificent circular driveway. This much loved home has raised two generations and is now waiting for it's new family. Boasting crown molding, wainscoting, custom built-ins, spacious rooms, two enchanting fireplaces with brick surrounds and hearth, gleaming hardwoods, designer colors throughout and open floor plan basking in natural light is a show stopper. Home has been remodeled classically integrating the new with the old. A versatile home with open floor plan affording many options for an office, five bedrooms, an in-law suite, remove the 2nd floor kitchen and have a large loft...the choice is yours. The basement with it's 1/4 bath is easily converted into a game room with a pub theme. Magnificent yard with trees, plantings and 80' of mature lilac bushes. Home is where your story begins...what an incredible home with sophisticated style and flare to begin yours in.
