Dubbed “The Window House”. Stunning doesn’t begin to describe this charming, sun filled, custom designed home. The present owners literally built their dream home around the Hardwick Post & Beam Great Room with a dramatic floor to ceiling brick Hearth. A screened alfresco dining area and mahogany farmers porch & delightful sunny breakfast deck immerses you in nature. The Chef’s kitchen has new Bosh stainless steel appliances and an oversized butcher block island perfect for creating farm to table delights while entertaining guests. Owners created rooms with multiple purposes in mind. The 5 bedrooms can double as office, library, music room, nursery, or other flex space. A media, Au Pair or game room is ideally located off the generous mud room. The nature infusion continues into the Master Retreat where the sun energizes you in the morning and a relaxing whirlpool beckons in the evening. A perfect setting of meadow, conservation land and
