

481 Cross Street Carlisle, MA 01741

Looking for country roads, unspoiled woods and an inviting, well-planned home? Welcome to this quiet haven. This 4 bedroom, 3 bath home features a newly redesigned open floor plan, with master bedroom, laundry and office all on the main level. Gaze at the warm fireplace, or through the large windows to the deep woods all around. Entertain your guests while you cook in the brand new kitchen or while listening to song birds from the back deck. Inside and out, this home has unmatched style and comfort. Renovated in 2014, to combine the original charm with contemporary design, plus upgraded windows, electrical, insulation, central air and heat. Finished lower level, includes kitchenette and separate entrance to back garden, making a great in law apartment. Perfect home for young or extended family. Easy access to miles of walking trails and traditional downtown village with library, post office and general store. Excellent Carlisle schools to K – 8th and Concord Carlisle high school.
