Concord Center..Stunning 2014 new construction colonial steps from hip restaurants like 80 Thoreau and Karma, library, Emerson playground, MBTA to Cambridge and Boston. The sun-filled open floor plan is well appointed with 9' ceilings, crown molding, and rich details. The gourmet kitchen features light gray custom inset cabinetry, stainless steel Jenn Aire appliances, leathered granite counters, farmer's sink overlooking the gorgeous level lot. Spacious mudroom with custom built-ins with access to back yard, garage with fast track storage system, and powder room. Luxurious master suite with private bath, double vanity, spacious walk in shower and deep soaking tub. Three additional spacious bedrooms and two well appointed full baths complete this level. The finished third floor offers flexible space currently used as a play room and guest bedroom. An exceptional home located in the desired "Behind the Depot" neighborhood with the convenience of a walk-to-everything lifestyle living.
