Beautifully updated classic New England Cape set upon 2.38 bucolic acres takes on a new look with sun-drenched open concept living/dining rooms featuring fireplace with economical wood stove & beautiful built-ins. Cooks will love the updated designer kitchen featuring espresso cabinets, soapstone counters, stainless appliances & handy pantry closet. Summer takes on a new meaning as you step onto the spacious deck overlooking a sprawling, level yard, a fenced-in inground salt water pool with patio, & abutting woodlands - an incredible private sanctuary! Oversized 2 car garage w/ stairs to 2nd floor allow you to leave storage worries behind. Loaded with updates including roof ('09), deck ('10), septic & windows ('11), 200 amp electrical ('12), wood stove & chimney liner ('13), pool liner ('15), pool cover & bulkhead door ('17). An extraordinary opportunity to own a slice of paradise in a great community with excellent schools near commuter rail, golf, orchards, shop/dine venues & more!
