

14 Jade Hill Road Auburn, MA 01501

This gorgeous custom Colonial offers a convenient location with the privacy of over 4 acres. Certainly built to impress, this home boasts quality craftsmanship and modern conveniences, appealing to even the most discriminating buyer. Beautiful gleaming wide pine floors throughout add class and sophistication. Kitchen with granite counters, recessed lighting, and open area with fireplace. First floor also includes a half bath with laundry, game room, study, formal living room, and formal dining room. Second floor hosts all 4 bedrooms, including large Master Bedroom with fireplace, private bath and dressing room area. There are five gorgeous fireplaces in this home. Walk-up attic ready to finish with heat and electricity. Walk out basement could also be finished and is plumbed for additional bathroom. The exterior of this fabulous home features a large deck, heated pool, and a professionally manicured yet easily maintained lot. This home is a must-see. Owners are relocating and motivated.
