## 347 Blackstone Street Blackstone, MA 01504

---

Who doesn't love an antique style cape in New England in the fall? In a picturesque setting in Blackstone on 1.83 acres with wraparound porch and barn style garage this is will be the house you fall in love with! The first floor layout is perfect for entertaining or just staying home featuring a large eat-in kitchen, full dining room with hardwoods and front to back living room. Three bedrooms in the upper level with optional fourth (no closet) with adorable built-ins and plenty of closet space. Enjoy the 3 season screened- in room off the farmer's porch that overlooks the back yard and barn. Oversized two and a half bay garage (1, 152 sq ft) with steel beam so there are no column supports has room for all your items! Unfinished loft area above the garage bays can be your new workshop/office/hobby room. This home has so much to offer! Come visit us and see!
