

54 Redstone Place Sterling, MA 01564

This thoughtfully designed, builder's own Colonial on a dead-end street boasts uncommon upgrades. The heart of this exquisite home is an enviable center island kitchen with incredible walk-in pantry, black stainless appliances, breakfast bar & sun-drenched dining area. The living room's gas fireplace offers welcome ambiance on chillier days. Indulge in a dreamy master suite with dual walk-in closets & luxurious spa bath featuring stand-alone soaking tub, generous tile shower & dual sink vanities. Enjoy barefoot living courtesy of radiant heated floors throughout 1st floor, in baths & laundry room. A finished walk-out lower level features two large bonus rooms & 3rd full bath. The attached barn with oversized entry & two finished, heated rooms below is a hobbyist/contractor's dream. The sprawling backyard with lush lawn offers ample play space while a generous deck & patio with fire pit are ideal options for outdoor entertaining. Great commuter location - Easy access to Rt 2 & I-190.
