

1 Conant Road

Acton, MA 01720

Remarkably expansive one level living, dining and beautifully redone kitchen. You will not believe the amount of cabinetry in the kitchen. Double sinks! The original living room with fireplace moves right into this new open concept great room. The owners have not only lovingly maintained the original rooms, but expanded, to almost double the original living area. With a large master bedroom, a master bath, and another full bath, 2 more bedrooms, a private back yard, and a babbling brook on the edge of the property, highly rated AB schools, great commuting to the train under 3/4 mile with sidewalks all the way, you can call this one your forever home.
