Stow, MA 01775

Spectacular, well-customized & expanded 55+ townhome has the vibe of spacious single family living with upgrades galore! Super sunny, nice open floor plan, tall ceilings, grand foyer and lux appointments. If you love to entertain, this is a dream come true! Large dining room with bay window, wainscotting/moldings opens to living room, gracious foyer, and granite kitchen. Also on the first floor for extra appeal: master bedroom with en suite bath & walk in-closet, 1st floor study, guest half bath, laundry and 3-season sunroom! The loft level is huge with custom built-ins, another bedroom and full bath. The walk-out lower level is a show stopper: large wet bar for entertaining, a family room big enough for a 80" TV adjoins another room (great as a 3rd bedroom/guest space) and additional full bath. Added portico, additional counters and cabinets in kitchen, extra windows, finished LL, & more make this an exceptional opportunity. Friendly 55+ community is well managed.
