## 38 Old Bolton Road Hudson, MA 01749

---

This 4 bedroom, 3 bath home in Hudson is a little slice of heaven! This home has been beautifully updated. You'll love the feel of the open concept main floor which showcases a gorgeous stone fireplace in the living room. The kitchen highlights a stunning granite island and countertops, plenty of storage including a pantry, and a dining area. The kitchen is only a step away from the sun room- a perfect room to relax, read a book, make memories, and enjoy the sunshine. Your new master suite features cathedral ceilings and a walk-in closet. There's no doubt you'll fall in love with the intricate design of the tiled shower stall and the double vanity that the master bathroom offers. The two additional bedrooms located on the main level each have hardwood flooring and large closets. Downstairs, you will find a fourth bedroom along with another bathroom and an expansive family room. Large, fenced yard. Garage is currently being used as man-cave/ she-shed but can easily be converted back.
