

93 Pokonoket Avenue

Sudbury, MA 01776

SPECTACULAR contemporary home with breathtaking views of Mt. Wachusett on one of Sudbury's prettiest streets! Fantastic open concept lower level is an entertainer's dream featuring hardwood floors throughout and a custom designed gourmet kitchen including granite countertops and SS appliances. The wraparound deck and multiple sliding glass doors allow for easy access to the screened porch, patio, pool, and lovely yard. The west facing sunroom is the perfect place to capture dramatic sunsets all year long! The spacious front to back master bedroom is complete with built in bookcases, a window seat, and fireplace. Three generously sized bedrooms, a large cedar closet, and ample laundry space round out the 2nd floor. The yard has been meticulously landscaped with mature flower gardens and custom plantings. The heated inground pool and spacious screened porch create an outside oasis. This beautiful contemporary home has it all. Welcome Home!!
