Concord, MA 01742

This warm, sunny colonial is full of surprises! With four bedrooms, plus office, and two large family rooms, this home offers private, spacious living for today's modern family. The heart of the house features a custom cherry kitchen with radiant heated flooring, plentiful counter and storage space, and large granite island. Eat casually in the skylit sunroom overlooking the fenced, mature-landscaped, level backyard. Relax on the mahogany deck overlooking the large PebbleTec pool and cabana. Upper family room boasts cathedral ceilings, skylights, and two walk-in closets. Lower family room includes built-ins, walk-in closet, wine cellar, and abundant storage. Formal living room features a cozy gas fireplace and large windows. Master suite includes dressing room and private bath. Recent updates include roof, fence, Veissman boiler, and major pool renovation.
