

303 Stow Road Harvard, MA 01451

Original Beacon Hill gas lanterns & a circular drive welcome visitors to this meticulously maintained compound. Over 5 tranquil acres are home to this custom contemporary surrounded by breathtaking landscape & joined by a separate 2200 sq ft studio offering endless possibilities for home business & family. As natural light streams through huge windows, discerning buyers will note the unique architectural details & quality craftsmanship. The sun-drenched custom kitchen featuring gas cooking, Subzero & concrete counters masterfully blends design & function. Indulge & delight your senses in the exquisitely designed master suite featuring a spacious dressing room with extensive built-ins & sumptuous master spa bath with jetted tub & river rock floor shower - an unforgettable retreat. The spacious finished walk-out lower level boasts a fully equipped kitchen & full bath - ideal for guest, au-pair or in-law. Recent roof, windows & too many upgrades to list. A rare opportunity!
