

7 Howard Road Maynard, MA 01754

Custom colonial brimming with sought-after floor plan features in the super-desirable Howard Road neighborhood! The dream floor plan: first floor with spacious family room and fireplace, large eat-in kitchen with island, white cabinets, and fireplace opens on to formal dining room; the front living room offers the 3rd fireplace found in this custom-built home. Also on the first floor one finds a spacious home office, half bath and oversized two-car garage. Upstairs are four bedrooms - all with hardwood flooring. The large master bedroom has an en suite bath, and a 2nd full bath services the 2nd floor. The basement offers loads of storage space and a casual space for play room or crafts.
