

## 14 Kansas Street Wilmington, MA 01887

If you're looking for a pristine custom home that was recently built in 2017 with all the space you'll ever need, a private expansive lot with an XL driveway that leads to a dead end cul-de-sac, two master suites and a 3 car garage then you'll be changing your address to 14 Kansas Road!! This one amazing home offers your choice of Master Suites on the first & second level, perfect for an in-law or au pair/guest. Your dream white kitchen w/large granite island is cabinet packed and opens to a spacious family room w/stacked stone gas fireplace & a pretty dining room w/crown molding, wainscoting & tray ceiling. The second level offers a relaxing master suite that has it all with a double granite vanity, a soaking tub and a walk-in closet. Three other large bedrooms and laundry round out the second floor as well as another full bath with granite counters and access to an XL walk-up attic. Rich, dark stained hardwood floors are impeccable throughout this magnificent home!
