

10 Murray Avenue Burlington, MA 01803

This sophisticated townhouse is a terrific place to call home. Built in 2013, it has four floors of living space & is centrally located in the heart of Burlington - no matter where you need to go, it's only minutes away. Steps to shopping & public trans. An open layout, 9 ft ceilings, & tons of rm to spread out means your life just got a huge upgrade! The 1st floor features a high end eat-in kitchen & dining space; both open to your living rm with a gas fireplace and private deck. Retreat to the master suite you have been searching for! A huge master bath with a Jacuzzi tub, large tiled shower and double vanity are yours to enjoy. The over-sized walk-in closet will make your mornings seamless. The top floor features a large rm with vaulted ceilings, huge window seat, tons of natural light, a bath and another walk-in closet. Use it as a bedroom, office, or family room. There's tons of storage plus your garage. If carefree high-end living is high on your list then this house is for you!
