

3 Reo Road

Maynard, MA 01754

Brimming with curb appeal and located on a gorgeous half-acre of land, this is a home to be proud of every time you pull into the driveway! Spacious living room stretches to dining room with bow window offering views to the stunning back yard. Neat-as-a pin kitchen with new microwave, solid wood cabinets, and solid surface counters opens onto the family room, and beyond that, the four-season sunroom with skylights, Palladian window, and tile flooring. Solar panels and two fireplaces fitted with pellet stoves add to this home's efficiency. The back yard will be your pride and joy: a patio worthy of a magazine photo shoot, and sprawling, fenced back yard. Central Air conditioning, master bedroom with ensuite bath and double closets, copious amounts of natural wood flooring, and impeccable maintenance makes this a winner in the fall 2019 market!
