

53 Bakersfield Street Unit 1 Dorchester, MA 02125

Newer renovation w/ gorgeous detail from a by gone era left in place. This 2-3 bedroom Philadelphia style condo has high ceilings, hardwood floors, bay windows, pocket doors, built in dining rm cabinetry, & replacement windows. This thoughtful renovation features bright white kitchen cabinets with stone counters, island, glass tile back splash, pot filler, wine fridge & Jenn Air appliances. Custom blinds and lighting throughout. Enter the unit from front sitting porch into the generous open living rm. Through original pocket doors the den can double as a 3rd bedroom. 1st floor bath adjacent to a bedroom boasts a tub & contemporary sink/vanity and washer/dryer. Up the grand staircase to the master bedroom w/ en suite full bath w/ glass shower. Storage/closet space is abundant in this unit. Basement has 429 sf of private storage with separate utilities. This location is quite the desirable enclave of Pleasant St/Jones Hill. Near public transportation and shops.
