Captivating custom built Colonial at the end of a private drive in a cul-de-sac neighborhood. The heart of this home is the cabinet-packed kitchen featuring two large pantries, granite topped center island, spacious dining area & Subzero, Thermador & Fisher-Paykel stainless appliances including double oven. The chef's kitchen opens to both a spacious, sun-drenched family room with charming stone fireplace & a richly trimmed formal dining room with tray ceiling. Natural light streaming through large windows showcases handsome hardwood floors throughout, rich dentil molding, wainscoting & other fine finishes. Access the sprawling bonus room from kitchen stairs or generous 2nd flr master suite w/ walk-in closet & bath with dual sink vanity, jetted tub & shower. Enjoy beautiful sunsets from the sprawling deck overlooking a vast back yard & abutting woodlands. Expansion pot'l unfinished lower level. Enjoy top rated schools, winery, trails, nearby shop/dine venues & just 3 miles to I-495
