

18 Autumn Street Sudbury, MA 01776

Best value in Sudbury. Bright, open floor plan with plenty of natural lighting, this ranch style home is a great condo alternative on a private, level lot on a quiet side street. Almost half an acre of land with a great backyard for entertaining and just in time for a summer BBQ. Main level features a master bedroom and two additional bedrooms with hardwood floors throughout. Updated bath with jacuzzi tub. Galley kitchen with plenty of maple cabinets and granite countertops is well-positioned between the living room, dining room and door to the patio. Does not include 770 sq ft of finished lower level. Total finished space is just over 2,000 sq ft. Lower ceiling height in basement, this space is a great for kids playroom. Features a half bath and tile flooring. Plenty of storage. Desirable school district. Siding, roof, windows, heating system and septic system are approx. 8 years old. Ask listing agent for 3D tour.
