This spectacular sun-filled contemporary on a quiet cut-de-sac street, with walls of glass & beautiful nature views from each window, is a Must See! As you enter the home the living space opens wide w/vaulted ceil, skylts, interior flower bed & 2nd level balcony. The DR opens to a large beaut. screened porch, & the see-through raised FP creates a warm calming dining atmosphere. The FR with FP overlooks the private back yard. A Totally New modern kitchen with quartz counters, pantry & sliders to a grilling deck, which wraps around to the screened porch, is superb for summer gatherings! Second flr has a sparkling bright Master Suite & 2 spacious bright brms. All 3 have vaulted ceilings & transom windows. The fourth br is on the first flr & has sliders to a private deck. There is a great bonus room with a wood stove over the garage with the entrance from the mudroom & outside. List of updates is incredible: h/w flrs throug, kitch., baths, skylts, paint, LED plumbing, hardware & more!
