

## 16 West Street Unit 3 Worcester, MA 01609

Welcome home to your beautiful, turnkey condo in the heart of Worcester! You enter into the cozy open plan living/ dining room with character features such as decorative molding around the window and skylight. The white kitchen has quartz countertops and all living areas benefit from large windows, tall ceilings and gleaming hardwood floors. Both bedrooms, as well as the shared bath, are a large size and have lots of interesting nooks and crannies from the sloping ceilings and dormered windows. There is a laundry space at the end of the hall and off-street parking for one car! The whole condo has been painted in soothing tones resulting in a light filled and relaxing feel. There is a small deck from the rear access from which to enjoy your morning coffee and you are located less than a mile to shopping and restaurants and less than 2 miles to I290 and the hiking trails and sports at Newton Hill. Call for a showing and bring your checkbook - this is your opportunity for a diamond of a condo!
