Welcome to the suburban oasis of Tommy's Rock, in the heart of Roxbury. Located near the top of a glacial rock formation, this stately Greek Revival overlooks Boston from two spacious decks and a two tier yard. Get front row seats to the little league games at Yawkey Boys & Girls Club, watch the sunset with a glass of wine, or enjoy the early morning ocean breeze with your coffee, all without leaving your home. With 10 ft ceilings and much of the original character intact, this home is as unique as they come.

Folded hidden shutters, ceiling inlays, crown moldings, beautifully restored original hardwood floors, curved staircase, and original stone fireplaces meet a recently renovated kitchen, modern bathrooms, private parking, an in-law and a separate entry home office. Lots of updates from electric to roof. The current owners took phenomenal care to restore this home to its glory.

The home features beautiful sunlight throughout the day, & is truly one of a kind. Make an appointment!
