

3 Coventry Wood Road

Bolton, MA 01740

4 Bedroom | 2.5 Bath

Well maintained East Bolton reproduction Saltbox Colonial nestled on nearly 2 acres in a sought after neighborhood masterfully blends character & charm with desired updates. The heart of this special home is a fireplaced family room opening to a cherry chef's kitchen featuring a sprawling center island, 6 burner gas range, walk-in pantry, cozy radiant heat floor & a sun-drenched dining area graced with a generous window seat. Enjoy tranquil views of nature from nearly every room or step out to a large deck overlooking the huge back yard with lush lawn & raised bed garden beckoning you outdoors. This delightful home boasts handsome wide pine floors, an enviable mudroom with adjacent laundry, finished lower level & a living room tastefully converted to ideal WFH space. Enjoy updated baths, 2017 septic, 2008 heat, & the comfort of AC via mini splits (2016). Benefit from Bolton's top-rated schools, conservation trails, orchards, winery & excellent commuter location. It's all here!
