5 Bed | 3.5 Bath

Gracious Queen Anne Victorian in sought-after Bellevue Hill area, spectacularly renovated to meet the needs of modern living while retaining the charming period details. With 5 bed, 3.5 bath, home office & heated sunroom, this house has everything. The entryway features a custom built-in mudroom & the welcoming foyer leads to an elegant living room with coffered ceilings & a dining room with original pocket doors. The soaring 9ft ceilings & bow windows with window seats fill the home with abundant natural light. The open floor plan features a gourmet chef's kitchen with Thermador appliances, farmers sink, large island & quartz countertops opening to the 4 season sunroom with vaulted ceiling, deck & private fenced in yard. The elegant master suite features a custom walk-in closet with barn doors & an incredible master bathroom with double vanity & stunning shower. Two generous sized bedrooms with ample closet space, a laundry room & full bath complete the 2nd floor. The 3rd floor features the home office with a skylight facing sunset views, a full bath & 2 additional bedrooms, one with an amazing loft space. This beautiful home is a short walk to the commuter rail & Centre St coffee shops & restaurants.
