

10 Bond Street

Tewksbury, MA 01876

3 Bed | 2 Bath

Pottery Barn design styled one level home with everything you want! Stunning kitchen with white shaker-style cabinetry, stainless steel appliances, and granite countertop space with breakfast bar. An open layout to the dining and living areas with gleaming hardwood floors and an abundance of natural light.

The dining room features custom, built-in seating that accommodates a large table for entertaining. The updated half bath includes space for a washer and dryer conveniently located in your main living space. The spacious master bedroom offers dual closets and new carpeting. Two additional bedrooms offer ample closet space. A full basement, with interior and exterior access, offers fantastic storage options. All major systems replaced four years ago and wonderful new updates including central air, white privacy fence, light-filtering shades, fresh paint, security system and more! Located less than 2 miles from the Wilmington MBTA station and less than 1 mile to scenic Silver Lake!
