

# 28 Hemlock Lane

Lancaster, MA 01523

5 Bedroom | 3.5 Bath

An inviting farmer's porch welcomes visitors to this exquisitely expanded Colonial set upon 1.38 pastoral acres in a sought-after cul-de-sac neighborhood. The updated center island kitchen featuring plentiful custom cabinets, gorgeous granite countertops & stainless appliances opens to a brilliant fireplaced family room with charming yet functional built-ins. Retire to a dreamy main bedroom suite with generous walk-in closet & spa bath with air jet soaking tub, dual sink vanity & shower. This incredible home is graced with a 1st floor guest ensuite/home office, a finished lower level, whole house generator, recent roof & Anderson windows. The sprawling, level yard beckons you outdoors to garden, play, relax in the hot tub, roast marshmallows around the fire pit or gather with friends on the spacious composite deck & patio – an idyllic setting to create great memories. Hobbyists & collectors will appreciate the oversized heated 4 car garage with finished 2nd floor bonus room. A gem!
