Maynard, MA 01754

4 Bed | 2.5 Bath

The one you have been waiting for, in PRISTINE condition! Open floor plan, gleaming hardwoods, high-velocity central air, fresh paint, and more! Updated chef's kitchen with white cabinetry, granite countertops, center island with seating, and stainless appliances. The slider brings you out to the composite deck that includes a therapeutic spa overlooking the private backyard. Watch movies or sit fireside in the spacious family room with pocket doors. Upstairs you'll find a 2018 luxuriously appointed master suite with hardwood floors, and walk-in closet. The new bath includes a magnificent marble shower with cascading rainfall and body jets, marble radiant heated floors, and skylights with vaulted ceiling. Two additional bedrooms, laundry room, and updated full bath with glass tile detailing complete the second floor. Unfinished basement awaits your finishing touches. All this, located in Maynard's most coveted neighborhood and abutting conservation land!
