Boxborough, MA 01719

4 Bed | 2.5 Bath

Extraordinary Contemporary Colonial Farmhouse on 4.6 lovely park-like acres adjacent to conservation land offering privacy & wonderful walks. An inviting farmer's porch welcomes you into the large foyer which serves a bright and sunny open interior highlighting; an exceptional kitchen with dramatic eating area; walls of glass, cathedral ceiling, sliders to the large deck - and an amazing view over landscaped garden with mature plantings. Kitchen also features a family breakfast bar. A family room right off the kitchen leads into the living room all creating a wonderful space for family and entertaining. The second level has 3 bright bedrooms and one with a palladian window. A master en-suite is gorgeous and spacious with a full walk in dormer with large triple window and tray ceiling and a beautiful master bath. A handy laundry room is also on 2nd level. Lower level is nicely finished as a multi purpose room and a wine cellar. A very happy house!
