This gorgeous contemporary home is nestled atop a private wooded lot of over an acre of land. Enjoy stunning views relaxing in your gazebo while overlooking your own private pond. Entertain guests in your open living room with its cathedral ceiling and an abundance of natural light. Tile-floor kitchen with solid surface counters and an eat-in breakfast nook with a separate open dining room. Spacious bedrooms, upgraded bathrooms, plenty of storage space on both first and second floor, and the loft room atop the stairway has private balcony access. Large rear wooden deck to enjoy privacy and natural habitat in a peaceful neighborhood. Basement is partially finished and can be used for a game room, weight room or another bedroom. This is a genuine example of a truly one-of-a-kind property.
