

75 Century Mill Road

Bolton, MA 01740

3 Bed | 2.5 Bath

Pristine Colonial nestled on 7 private acres evokes unparalleled tranquility & privacy. The heart of this Bolton Beauty is the quality-conscious center island kitchen with Van Gogh quartz counters, walnut topped center island, beveled subway tile backsplash, farmer sink & stainless appliances including 5 burner gas range. Gather in the well-appointed dining room or by the family room's gas fireplace. 3 bedrooms & an office located on the 2nd floor include a master suite with walk-in closet & a spa bath behind a charming barn door. Handsome hardwood floors & recent upscale appointments including custom designed shiplap accent walls & upgraded counters richly adorn this exquisite home. Drink in breathtaking views of nature's best from the deck, fire pit or fenced-in back yard offering glimpses of heron & eagle. Benefit from Bolton's top rated schools & easy access to conservation trails, winery, golf, major routes, shopping & vibrant downtown Hudson dining. Truly a treasure!
