ELEGANCE IN WHITINSVILLE! Welcome home to this stately colonial set on 2.7 acres in Whitinsville! Additional 3.95 acres included, located directly behind the lot. Meticulously landscaped with a colorful palette of flowers throughout the grounds from the circular cobblestone-style driveway to the secluded backyard oasis. A formal dining room sets the mood for special occasions, while the eat-in kitchen provides a cheery and bright space for casual dining in front of a bay window and wood stove. Experience the joy of cooking in this airy kitchen with windowed cabinets, extra counter space, and a separate pantry room. The main bedroom serves as a private retreat, complete with a working fireplace, ensuite full bath, and a sunroom flooded with natural lighting and stunning views; perfect for a home office or secluded sitting room. Just minutes from major highways, this wooded area has convenience and privacy. Ask your agent to send you the 3D Tour. Don't wait!
