

75 Bolton Woods Way

Bolton, MA 01740

3 Bed | 1.5 Bath

Charming home that's nestled at end of a cul-de-sac, abutting conservation land, and offering an unbelievable opportunity to live in Bolton! This home boasts an open floor plan with newly installed slider to brand new oversized composite deck. The sellers love the outdoor entertaining this home offers on the front porch, rear deck, new fire pit area, and the lush grassy lawn. There's a large primary bedroom with walk-in closet and chic barn door. Two additional bedrooms and modern full bath complete the upstairs. The walk-out lower level features a large playroom with new luxury vinyl flooring, a 2021 boiler and HTP water heating system, and new water treatment system. The exterior of the home was painted in 2019, there is a new driveway, a large storage shed with electricity, and rolling lawn abutting conservation land with trails. All this, located minutes from route 495, the Bolton schools, and all the hip offerings of desirable Hudson center.
