

10 Cayuga Drive

Hudson, MA 01749

Sun-filled home located in the desirable Lakeview Estates, minutes from the newly reconditioned Centennial Beach! This home boasts an open cherry kitchen with stainless steel appliances, dual sinks, and center island with 5 burner gas range. This opens to a spacious family room with oak hardwoods and large windows. The well-appointed dining room has a slider to a large composite deck overlooking the private rear yard. The formal living room offers a wood-burning fireplace and large windows. Three generously sized bedrooms with ample closet space and a gorgeous, custom designed (handicap accessible), bathroom with granite countertop and curb-less tiled shower. The second floor features a private master suite together with a full bathroom with dual vanity, linen closet, and skylight. Lower level has a finished bonus room and large storage/workshop area. Lochinvar high efficiency heating system and an air handler prepped for central a/c. A one-car garage, dual driveways, and more!
