

# 111 Glenview Street

Upton, MA 01568

4 Bed | 3.5 Bath

**NEED MORE SPACE?!** This stately colonial settled in the up-and-coming town of Upton features a home office, partially finished basement with a full game room, and a spacious fenced-in yard. A bright and airy foyer welcomes you home and flows into the open-concept kitchen/living room. Cherry cabinets with granite countertops, an eat-in kitchen island, and Bosch stainless steel appliances are highlighted by recessed lighting. With a second-floor laundry room, it's easier to keep the his/hers walk-in closets tidy. Each window comes equipped with custom blinds, black-out blinds are featured in each bedroom. Live with peace of mind having a whole-house generator powered by propane. The fenced-in yard comes complete with a large playground, a patio and fire pit only 2 years old, and plenty of space for lawn games or gardening. Activities for all ages available in Upton! Ask us or your real estate agent to send you the link to the 3-D virtual tour. Call, text or email now!
