

212 Lower Gore Road

Webster, MA 00509

Picturesque cape located on a 1.97 Acre lot in Webster just minutes to 395. From the front door you enter into a spacious living room complete with wood burning fireplace, molding and wall to wall carpet. The first floor features a flexible room that could be utilized as a 4th bedroom as well as a full bathroom. The sunny kitchen features a peninsula and a bay window. As you exit the rear of the home from the slider in the kitchen, the deck (complete with awning) overlooks scenic wooded views and spacious back yard. Three bedrooms upstairs and a full 2nd bathroom complete this dream cape. The unfinished basement is a great space to utilize for future expansion.
